SCHOOLS

As of October 15, students in graduating classes at each level of education have been allowed to resume meeting in-person. This means students in 7th grade and students in the final year of high school have returned to classes as they prepare for graduation exams in March 2021. Beginning with this limited number of students at school will help the government determine the best way to safely handle the rest of the classes in 2021.

We thank God for this opportunity for students to continue their studies and to hear God's Word in our Lutheran Schools.

There is much rejoicing in the house of the Lord as Christians in Uganda are able to gather for worship services again.

After nearly seven months of restrictions, the government in Uganda allowed congregations to resume worshipping in person in mid-October, with limited capacity and with standard operating procedures in place.

In November, we celebrated as twelve seminarians were commissioned to begin their vicarage year. These students are in their third year of study at the Lutheran Theological College Uganda. We praise God for His ongoing work of raising up new leaders in the church.

We thank God for His continued work through the Lutheran Church of Uganda (LCU) to spread the Gospel. As Christians gather around His Word and Sacraments, God faithfully provides the strength and nourishment His people need in these challenging times.

Thank you for your continued prayers for this ministry and for all who serve here.

Grace and Thanks

This fall, I have made a trip back to the States to get some medical care. God's grace and faithfulness abound, and I have so much to be thankful for.

- I thank God for His gracious hand of healing and the care He provides through medical workers.
- I thank God for the fellowship and support He provides through family, friends, and coworkers.
- I thank God for friends in Uganda who are helping to care for things while I am away.
- I thank God for the prayers, encouragement, and support God provides through the body of Christ – YOU!
- I thank God for the constancy of His presence and the assurance of His love.

In the midst of the challenges and uncertainties facing our world today, God continues to faithfully provide for our every need, often in ways we cannot anticipate. Resting in His grace, we can truly give thanks in all circumstances.
